

AKE-McNally School Supply List

This is a general guideline which outlines school supplies that should be brought to high school. Whenever possible, please reuse supplies from previous years if you can to cut down on your costs as well as environmental waste.

Students may want to consider bringing a small bottle of hand sanitizer for their personal use, but know there will also be hand sanitizer available around the school. Students will not be sharing their supplies with others so feel free to label items if you choose.

1 pkg	Lined paper (approximately 200 sheets or less)
1	Protractor
1	Large, sturdy zippered binder
50	HB pencils with erasers
1	Pencil Sharpener
